Class of 2025 - Raised money to partake on the mission of a lifetime.

Senior Mission Trip

At the end of March, our senior class had the honor of traveling to the Dominican Republic for their annual mission trip. Organized by Michelle Anderson and Fr. Todd Belardi, our senior class

learned the importance of Catholic service to those most in need. A truly transforming experience, our seniors carried out the work of Christ in the service of others. We thank all of you who supported this mission monetarily and with your prayers!

Featured articles

Baskets of Joy

SJCA students are spending time after school putting together baskets for those in need. Led by Katie Tanke, these students are impacting the lives of many in our community. To donate, please contact Katie Tanke at ktanke@sjcawi.org - Thank you!

Last years basket delivery crew!

Archbishop Grob - Catholic Education

Our new Shepard, Archbishop Jeffery Grob, recently stated at the Catholic Schools Dinner that he is all in on Catholic education. He believes in the importance of formation in education. Let us welcome our new Archbishop and continue to pray for his success.

Faith to Grow - Update

Our team at SJCA has been working closely with the Steier group to focus on the future of SJCA. We are studying the options and feasibility of SJCA's campaign to build a new school. Findings from our study will be available in the near future. If you would like donate or pledge support, please contact Mandy Weiss at mweiss@sjcawi.org

New Initiatives for the Department of Alumni Relations

The Alumni Association is now recognizing one distinguished alum every week who makes our school community proud. In addition, we are also highlighting our rich history with our Throwback Thursday's and highlighting a current or former military service member every month. Thank you for your support!
